Dear Prospective Home Buyer,

Our family has lived in this home on Windward Drive for 36 years and have so many wonderful memories. After 2 careers, retirement has finally arrived with new adventures on the horizon. Leaving Northern Virginia is a big decision and leaving our home after so many years and even bigger one.

Our children were toddlers when we moved here, and we felt so fortunate to have found this home many years ago. Not only is the location on a pipestem so valued for a family, but to be on a cul-de-sac as well. Our boys learned to ride bikes, fish in the pond and stream, shoot hoops in the backyard (when we had a net up), enjoy the community pool and have many adventures in this home. As they got older, our home was the place they congregated with friends, in the family room and the yard.

Our community ranges from young families to couples like us, whose children are grown. We enjoy a casual hello or even a yearly cul-de-sac BBQ. Most Halloweens we can be found out in the pipestem sitting around the bonfire, getting caught up with each other and welcoming the trick or treaters. The Ponds pool, within walking distance, gave us much joy over the years.

While our community feels quiet and suburban, we are still close to everything. Burke is also home to a VRE stop. My husband took the VRE to DC for many years and enjoyed the stress-free ride. After a workday the deck is a perfect retreat for privacy, birdwatching and rejuvenation.

We are really going to miss our home on Windward Dr. We will go with lots of wonderful memories and always be thankful for our time here.

The Salzman Family
